12 June 1949

Chief, Educator ATTN: []
COS, Karlsruhe
EDUCATOR Project--Broadcasting of Informers' Names

1. With regard to subject broadcasts through the RIAS radio channels, the following arrangement has been made for the transfer of informers' names and other pertinent information to RIAS broadcasting officials:

2. The undersigned contacted Col. G. E. Textor, Director, Information Services Division, OMGUS, who was to have served as our contact with RIAS. It was decided, however, that since the colonel's duties take him so often from Berlin, a better contact might be provided through the persons of Mr. H. B. Meyer and Mrs. Ruby A. Parson, Chief and Assistant Chief, respectively, Radio Branch, Information Services Division, OMGUS. This link has been established, and, in the future, all business involving RIAS broadcasts as planned under subject project will be negotiated through either of these two contacts.

3. Arrangements have also been made whereby American Forces Network, Berlin, will record, on tape and disc, all subject broadcasts making use of names we furnished.

4. You may be interested to know that CAMLET, in talking to [] volunteered the information that subject broadcasts appear to date to have created exactly the kind of effect which had been desired. Contacts of CAMLET in Dresden and in Furstenwalde have reported that the RIAS information has invariably been proven correct, and that in two specific instances in Furstenwalde persons whose names had been broadcast were immediately ostracized by the population.

5. While we have been of the opinion that care should dictate the selection of names for the broadcasts, CAMLET has proposed that RIAS consider the airing of names of persons suspected, because of

their political activities, of aiding and abetting the Soviet police organisations. As an example, he mentioned the name of Professor KASTNER. This proposal is passed on to you for your consideration and advice. We wish to add that CANLET is not and will not become cognizant of our tie-in with the broadcasts.
